

FAST MEET IS ENDED

All but One Favorite Won at Pittsburgh's Fine Races.

ATLANTIC KING HAS A MARK

The Game Fencer Reduces His Record Six Seconds in 2:15 Flat-Chasing Day's Track was Fast.

Pittsburgh, Pa., July 14.—This was the last day of the grand circuit meeting at Monmouth park. The two unfinished races of yesterday and the three events on today's card were finished up at 8 o'clock tonight. The meeting has been the most successful financially and the racing the best in the history of the association. Except in one instance today, that of Phoebe Wilkes in the last race, every favorite pulled down the gold plum sought for. The favorites, however, knew they were in a home race generally at the finish and several records were lowered. Among others, Atlantic King, from 2:19 to 2:13.

Unfinished 2:15 flat, Newell bonus purse, \$5,000. Fido Star won, Florida second, Charley C. third; best time, 2:13.

Unfinished 2:21 class trot, purse \$1,500. Jennie Wilkes won, Marvel second, Nyassa third; best time, 2:17.

2:21, purse \$1,500. Silver Star won, Sabina second, Beautiful Chinese third; best time, 2:18.

2:15 class, pacing, purse \$1,500. Atlantic King won, Raven second, Sterling third; best time, 2:13.

Third 2:17 trot, purse \$1,500. Phoebe Wilkes won, Belflower second, Zenobia third; best time, 2:13.

DAY OF FAVORITES

The Talent Escapes Heart Disease at Monmouth Park Yesterday.

MONMOUTH PARK, July 14.—The very slim program failed to attract a very large crowd to the track today. The fields were small and after the scratches had been made they were reduced to skeleton line proportions. The track was really in spots. The opening event was a dash of five furlongs. Tormentor was made the favorite and to the delight of the talent he ran rather handily. Topgallant, a 20 to 1 shot, gave the crowd heart disease, however, by shooting out of the launch at the finish and securing second place from Ambulance. The second race had only two starters, Glumming and Joe Kelly. The latter was the favorite and won as she pleased. The third race was uninteresting. Discount met a poor lot, and the bookies only quoted 2 to 5 against him. He won easily from Little Pirate, an outsider. Equation was a poor third. Ajax led from start to finish in the fourth and won easily by four lengths from Astoria, who beat Harvest two lengths for the place. In the fifth, Speculation, the even money favorite, went in the front in the first furlong and led throughout, winning easily by three parts of a length from the Iron Master, who beat Brand third. In the sixth, Dorian, at 6 to 1, won the last race from Despot, 3 to 1, mainly by running tight. In this, the favorite, was at no time prominent.

Summary.
First race, five furlongs—Tormentor won; Topgallant second, Ambulance third; time, 1:05.5.
Second, mile and a sixteenth—Joe Kelly won; Glumming second; only two starters; time, 1:55.
Third, five and a half furlongs—Discount won; Little Pirate second, Equation third; time, 1:10.5.
Fourth, five furlongs—Ajax won, Astoria second, Harvest third; time, 1:02.
Fifth, mile and a sixteenth—Speculation won; the Iron Master second, Brand third; no time given.
Sixth, five and a half furlongs—Dorian won; Despot second, Maine B third; time, 1:11.

RACINE IN A WALK

He Runs Away From His Field at Washington Park.

CHICAGO, July 14.—The attraction at Washington park today was the poppy races, with gentlemen riders, and much interest was taken in the outcome of both of the races. The first one furnished plenty of excitement and resulted in a hot finish, the heavily played favorite, Gallivant, ridden by Fred Tarsel, winning by a short head from Bridge, the latter, however, should have won handsily, but her rider, Mr. Savage, became overconfident half a furlong out and Tarsel came up fast on the outside and beat him a head on the post. Tarsel also won the second of these events, he having the mount on Focahontas and winning in a gallop by three lengths.

First race, purse, \$500, for all ages, penalties, allowances, mile and seventy yards—Racine, 124 (Miller), 1 to 2 won; Springaway, 115 (R. Williams), 3 to 1; second, Fitzsimmons, 108 (Gemeta), 25 to 1; third, time 1:51. Guido also ran.

Fifth, pony race, for ponies not exceeding fifteen hands, six furlongs—Focahontas, 104 (Tarsel), 5 to 1 won; Little Monarch, 102 (Mr. Huns), 15 to 1; second, Crawford, 107 (Williams), 9 to 5; third, time, 1:22. Ballard Echo, Lela Jennings, Clytie and Peggy finished as named.

HAWAII IS THE KEY

What a British Resident Has to Say of Annexation.

NEW WESTMINSTER, B. C., July 14.—The Rev. H. W. Peck of Honolulu is in the city enroute to Toronto. Mr. Peck has been a resident of Honolulu for five years and has been connected with the educational department of the kingdom. Regarding affairs in Hawaii, Mr. Peck said:

"I am a Canadian and not an American, and look at the revolution from a perfectly independent view. It was not an American or planter movement which precipitated the revolution, but a general movement of whites, irrespective of nationality, whose business interests were jeopardized by the government, whose tendency was retrogressive.

Had the marines not been landed from the warship Boston, the revolution would not have taken place when it did, but it was bound to have come later. The whites control seven-eighths of the property on the island and contribute at least that proportion of revenue. They were confident the queen's new constitution meant to deprive them of the management of the affairs of the island and place it largely in the hands of the natives.

"We appealed to the United States for annexation because 90 per cent of the trade of the islands goes there. If the United States will not annex Hawaii we will probably appeal to England or some other foreign power. There can be no going back, no retrogression, no monarchy. Hawaii is the key to the Pacific, and if the United States does not want it, other powers will not be backward in profiting by so grand an opportunity.

It Was Nitro-Glycerine

WASHINGTON, Pa., July 14.—Last evening William Cox, aged 12, his sister Matilda, aged 14, and Georgia Ward, aged 12, found a pint and a quart bottle under a tree at the roadside. They threw several stones at the bottles. When one of the bottles was struck an explosion followed that shook houses a mile away. A large hole was blown in the earth, trees and fences were thrown down and the children hurled many feet away. The bottles contained nitro-glycerine. Willie Cox was fatally hurt. The girls were badly injured and are in a critical condition.

Exonerated Mr. Potter

New York, July 14.—After several weeks of secret investigation the special committee appointed to examine into charges made against the Rev. D. C. Potter, pastor of the Tabernacle Baptist church, by the Rev. J. W. Putnam, co-pastor of the same church, and John V. Huiell, has declared them "wholly unproved and false," and has expressed Christian confidence in the integrity and character of that divine, Dr. Potter, his accuser, was called to appear before the committee for violation of the rules of the church.

His Revolutionary Grandfather

WASHINGTON, July 14.—Mrs. Ephraim Allen of Jopps, Mich., having recently noticed in the Journal of Battle Creek an article announcing some person as the youngest living grandson of a revolutionary soldier, and giving the age as forty years, wrote to her cousin, Chester T. Sherman, whose grandfather, John Sherman (also her grandfather), was a soldier in the revolutionary war, asking

him his age, and has received a reply stating that his age is 39 years, while his brother, Ezra A. Sherman of Ham, N. Y., is but 27 years of age, and his sister, Harriet Sherman of Rochester, N. Y., only 22 years. The writer of the letter is a clerk in the board of review, pension bureau of this city.

SPRING & COMPANY'S STORE THE MIDWAY PLAISANCE

There are a hundred reasons why our store may be designated as above. Passing along the broad aisles and on the several floors the products of all nations will greet the sightseer. Not the common and mediocre kinds, but the selected things, of which any of the countries that create them would be justly proud. Located at the junction of our two principal streets, passed by every car line in the city, near to all public buildings, it is naturally a convenient visiting place for strangers, and we modestly assert that our store, with its regiment of salespeople, is a veritable

BUREAU OF INFORMATION

On all subjects relating to the great field of Dry Goods with its accessory lines and the fashions. If any store is cooler than another in hot weather it should be this, because the long aisles reach from street to street and the ventilation is unsurpassed. Strangers are always welcome to visit our store—not for shopping alone, but to see and to rest. Home people ditto. Perhaps the

Wash Dress Goods

Department will interest you just now more than many others. The light zephyr goods almost create a breeze, so suggestive are they of coolness. The Gingham Dresses are leading all others. "You may cut me a dress pattern from this, one from that and another from that," is the way the trade is going, often three at a clip. And why not? The three cost just about what two would have come to earlier in the season. HERE IS PROOF:
